I lead the crowd in "Rah Rah Rah"
To cheer the team we like;
But when it comes to cigarettes
I cheer for Lucky Strike!

I really am a Lucky guy,
Just got my Ph.D.
To prove to you how much I know,
L.S., sir means F.T.

Be Happy- Go Lucky!

Enjoy your cigarette! Enjoy truly fine tobacco that combines both perfect mildness and rich taste in one great cigarette - Lucky Strike!

Perfect mildness? You bet. Scientific tests, confirmed by three independent consulting laboratories, prove that Lucky Strike is milder than any other principal brand. *Rich taste?* Yes, the full, rich taste of truly fine tobacco.

Only fine tobacco gives you both real mildness and rich taste. And Lucky Strike means fine tobacco. So enjoy the happy blending that combines perfect mildness with a rich, true tobacco taste. Be Happy—Go Lucky!

L.S./M.F.T.-
Lucky Strike
Means Fine Tobacco

Some claim this and some claim that,
But when all is said and done...
For full, rich taste and mildness, too,
Lucky Strike's the one!

ST. MARTIN'S vs. EWC

WOODWARD FIELD

If last year's 37-20 score is any indication of the contest about to take place on Woodward field, Savage grid fans should be in for a real football treat. Last year the Red Raiders ran up against a young but fired-up Ranger outfit and had to come from behind to win.

Most of those Rangers, John Donohue, Bill Casey and Pete Muir, who almost engineered the near upset are on hand and will want to make their near miss a reality in 1950.

The Rangers, long the door mat of the "Little Pacific Coast Conference," have been improving with each contest and should give the Abe Poffenroth coached Savages one of their better games.

Over the years, the Saints and Savages have met seven times, with EWC winning five, losing one and tying one. In 1940 EWC squeezed by the Rangers 7-0; the clubs tied in 1941; and the Saints took the 1942 contest 6-0. Following World war II, the Rangers found the Savages rough going, losing 26-6 in 1946; 33-0 in '47; 60-0 in '48; and 37-20 in '49.

Although the war years took much of the St. Martin's zip, the Rangers seem to be regaining their pre-war form and tonight's game should be a real thriller from start to end, although the Red Raiders are favored by two touchdowns.

Ralph Edwards, who quarterbacked a parlor game into a national pastime as popular as football, lateral the following questions. Ralph, of course, is head coach on the "Truth or Consequences" programs seen and heard weekly on the CBS television and radio networks.

FOOTBALL TRUTH OR CONSEQUENCES

by RALPH EDWARDS

1. The football star known as the "Gallop Ghost" was (1) Ichabod Crane (2) Red Grange (3) Frank Sinkwich.
2. They say "seven" is a lucky number. The "Seven Blocks of Granite" were (1) the pillars of the Brooklyn Bridge (2) the seven hills of Rome (3) the Fordham line.
3. The length of a football field is (1) up to the referee (2) 50 yards (3) 120 yards.
4. The Statue of Liberty play was invented by (1) Patrick Henry (2) Ray Morrison (3) Edmund Dante.
5. The first Rose Bowl game was played in (1) 1848 (2) 1869 (3) 1902 (4) 1920.
6. A salute by the referee indicates (1) his respect for a good play (2) the military nature of football (3) a penalty for unnecessary roughness (4) a touchdown.
7. A player illegally in motion is (1) running toward the line before the ball is snapped (2) running the wrong way (3) jumping over an opposing player.
8. The weight of a football is about (1) 7-8 ounces (2) 14-15 ounces (3) 1 pound (4) 2 pounds.
9. A sleeper is (1) a train with an overnight hop (2) a man deployed craftily to the side (3) the guy they ran the touchdown through (4) a fourth-string sub on the bench.
10. A pass is (1) a man's prerogative (2) a bust hand in bridge (3) a ball thrown in the air.
11. The first Army-Navy game was in (1) 1776 (2) 1848 (3) 1890 (4) 1900.
12. The fellow who caught Benny Friedman's passes was (1) Hutson (2) Swiacki (3) Oosterbaan (4) Evashevski.
13. The biggest ground-gainer of all time was (1) John Bunyan (2) Red Grange (3) Frank Sinkwich (4) Tom Harmon.
14. The outstanding team in the country in 1888 was (1) Yale (2) Harvard (3) Princeton (4) Army.
15. The Four Horsemen did their running for old (1) Apocalypse (2) Texas Agricultural (3) Racine (4) Notre Dame.

Now, be honest and compare your answers with these — if you have failed see the consequences below!

YOU HAVE FAILED TO TELL THE TRUTH, SO YOU'LL HAVE TO PAY THE

CONSEQUENCES

- (1) Get two tickets for the best fifty-yard line seats of the biggest game of the season. When you get to the gate, discover you've left the tickets home on the dresser.
- (2) Take the job of the water boy who does the running when Tulane's Green Wave runs dry.
- (3) Sit next to the most beautiful blonde in the stadium, wearing the biggest chrysanthemum ever, and have hay-fever.
- (4) Bury yourself in the Coffin Corner.
- (5) Go to the showers. But the boiler's busted, and there's no hot water!
- (6) Take the post of stretcher-bearer in the grudge game between the Alcatraz All-Stars and the scions of San Quentin.
- (7) Go to New Orleans next New Year's Day, and get your lumps in the Sugar Bowl.
- (8) Join the cheering squad the night before the big game, and wake up on the morning with laryngitis.
- (9) Take over the position of head linesman . . . with a six-inch ruler.
- (10) A tough consequence, but you deserve it. With the score 25-20 against you, get out into the clear and running when the final gun goes off. Then trip on your own shoe-laces and down the ball *one inch* short of the goal line!
- (11) The deciding goal has just been scored on the fourth down. Go in as referee, and discover that you've miscounted. It was really the fifth down. Go ahead, call it back. We dare ya!
- (12) A little the worse for wear, go down to the locker-room between halves. As the coach reveals a special, super-secret, hipper-dipper play, look at the bruisers around you, and realize that you're with the wrong team!
- (13) For missing that one, take the cheerleader's megaphone . . . and don it as a dunce cap!
- (14) Take off in T Formation as a high-flier, then discover you have a single wing back, and go into a nose-dive!
- (15) For missing that one, from here on in you take your place as poison in the Ivy League.

Meet the Coach-- ABE POFFENROTH

Rapidly gaining the reputation of being one of the top small college grid coaches in the nation, Albert Poffenroth has led his Eastern Washington College Savages to three consecutive co-championships. In 1947, his initial year with PLC and in 1948 and '49 with the College of Puget Sound.

Abe's rise in the coaching profession has been somewhat in story book fashion, graduation from Eastern in 1940 and returning to his alma mater in July of 1947 succeeding Hal Jones.

Poffenroth's name is well remembered by Inland Empire sports fans having played football under Henry Bendele at John Rogers high school in Spokane. Abe was named all city in 1935 and entered Eastern in the fall of 1936.

Playing regular as a frosh, Abe's talents drew enough attention to gain mention on many all-conference teams. In 1937, '38, and '39 the genial Russian was an all-Winco choice—it was unanimous!

His first coaching and teaching job was at Vancouver, Washington, where he remained until 1942 when Uncle Sam called and he enlisted in the United States Army Airforce. While in service, Abe played football, oddly enough under the tutelage of former College coach—then Major W. B. (Red) Reese. During his stay in the armed forces, he rose from private to captain.

In 1944, Abe was transferred from the 2nd

Air Force to Lowery Field, Denver, Colorado, where he was made officer in charge of athletics. Poffenroth also handled the coaching assignments there.

While the gridiron sport is Poffenroth's number one choice, he doubles on the baseball diamond. His Savage horsehidors finished second in the Eastern Division of the Evergreen last spring. Abe teaches Physical Education at Cheney.

Shortly before the 1950 season got underway, Abe and Cece West for the second consecutive year led the East all-stars to victory over the West all-stars in the annual Montana All-State high school game played at Great Falls.

Poffenroth is married and the father of a young son Byron.

Savage Coaching Staff

W. B. "RED" REESE
Director of Athletics

Red Reese is leading Savageville athletic fortunes into their 17th year. During his span he has coached all of the Eastern Sports. Until the fall of 1947, he led Eastern to a 14-year gridiron record of 69 wins, 26 defeats, and 7 ties. In '47 Red turned the football reins over to one of his most apt pupils, present head coach "Abe" Poffenroth. "Red" is still actively engaged in coaching basketball and track. Last season his casaba and cinder teams swept the conference. His athletic teams down through the years have been the envy of many small colleges, as he has won more than his share of Tri-Normal and Winco Championships. Undoubtedly, "Red" comes the closest to "bustin' his buttons" when he is approached on the number of coaches he has out in the field in the various states in the Pacific Northwest and the outstanding job each is doing. At the last count, the number was well over the hundred mark. This year like last, when Cece West joined the Savage Athletic Staff, marked the return of another of "Red's boys to home" when Dick "Doc" Sartain was signed as Junior Varsity Coach.

Cece's return to the scene of his college football as assistant coach, reunited two of "Red's" boys who started for Eastern in 1936 and wrote football history on Woodward Field. Both were All-Conference during all four years of their college career and both are looked upon as two of Savageville's outstanding football players of all time. Cece played guard and is rated by "Red" as the best defensive guard he has ever coached, including his coaching stint for the Second Air Force during the war.

Another Savage all-time great returned home this fall when Dick Sartain was signed as JV mentor. Sartain played his ball under "Red" Reese in 1941, gaining all-conference backfield honors. After three years in the U. S. Marines, Doc returned to Cheney and gained All-Winco acclaim for tackle play. Doc was the 1946 Scarlet Arrow inspirational award winner. Sartain has been coaching the past three years at Wilbur High and is working this fall on a graduate scholarship in P. E.

The newest addition to the Savage Athletic staff came with the signing of Edward Pillings, former WSC two-sport athlete. Ed succeeded Merle Vannoy who resigned last spring. Pillings graduated from Cougarville in 1949 and picked up his master's this summer at Columbia U. Pillings like the rest of the Savage coaches took his hitch in the army. At WSC, Ed lettered in football under Babe Hollingsberry, playing right half in '40 and '41. In '47, '48 and '49 he gained cinder honors under Jack Mooberry.

"We Make Keys"

NEW LEADER of the RANGERS

Don Cooley—St. Martin's new football boss—wants to make his first season at St. Martin's a winning one.

The Rangers—too long the stepping stone for other Evergreen Conference teams—are taking a new lease on their football life and might spring a few surprises in the EIC this season.

Cooley lacks depth, but he doesn't lack hustle and charge. The freshman mentor also figures he has one of the faster backfields in the conference with Bill Casey and Pete Muir—the fastest sprinters in EIC track last spring—as the stars of his running attack.

Coach Cooley is no stranger as far as St. Martin's football is concerned. In 1941 and 1942 Cooley was an ALL-WINCO League back on the Ranger football eleven.

During the war years Don served in Army Air Force as flight commander. Following his discharge he entered Washington State college, where he was outstanding in football and track. In 1947 Cooley was javelin champ in the Northern Division of Pacific Coast Conference.

A stern fundamentalist, Cooley has constructed the best team to represent St. Martin's since the end of the war.

Assisting Cooley this season is Bob Tardiff and Ray Southward. Tardiff is starting his second season as Ranger backfield coach and Southward is tutoring the line.

In Cooley, Tardiff and Southward, St. Martin's is fielding an all-star coach staff. All three of them were all-conference on the Ranger grid team of 1941.
